CP3: Chapter IV : Part 1 : 1971

My first two features* comparing CP3 and BS 6399: Part 2 covered the rules on ground roughness and the modification of the 'division by parts' rule. In this feature I cover the remaining aspects of the design wind speed rules - the climate-dependent parameters. This is the only component of the wind Codes that applies solely to the UK. I then compare the design wind speed and dynamic ...
