Build a Neck Jig - Ning

Now the fretboards can be glued to the necks. Below is a dual purpose jig used for locating the fretboard and establishing the cheeks of the neck tenon. The drill guide bushings are to drill for the toothpick locating pins. The tenon cheeks are shaved down with a spiral flush trim bit, seen here as well.

Build A Neck Jig Ning

The neck jig is a very important tool to have. It can be the difference between having a good playing guitar or having one that plays great. I will explain in another article on why and how to use the neck jig. For now, we are concentrating on how to construct yourself one. Here is a list of things you need to build one: Neck Jig Parts List

How to Build a Shaker Fireplace Surround - Ning

Can someone enlighten me? In my woeful ignorance, I've been doing fret jobs and setups for over 30 years WITHOUT a neck jig! Despite the fact that I have never had a dissatisfied customer, I have been told that I cannot perform a PERFECT fret job without paying Stew-Mac £230 + postage for four bits of wood, a few screws and a couple of dial gaugesand a further £60 to British Customs ...

Are neck jigs necessary? - FRETS.NET - Ning

I picked up the K4MS from Home Depot about 3 months ago, I was looking for a small filing cabinet for under my desk and nothing I looked at would fit or they wanted big money for it, my wife said "why don't you just build your own then you will..."

Maximum Custom Guitars - Neck Contouring Jig

I would like to give up the neck jig because it slows me down. This topic interests me because those who say it's not necessary seem to fall into a couple of camps. If someone says they don't use a jig because it is overkill and they can't make enough money if they use one, that makes sense to me.

How to Build a Fretboard Radius Jig - Radiusing Fretboard

The jig really shines when you're working with a rubbery neck or an electric guitar that's going to get x-low action and monster string bends (.5mm - 1mm 1st string at 12th fret). These days, I never worry about going back and re-leveling or spot leveling because problems just don't come up after I've leveled using the neck jig.
