Buildings Across Time: An Introduction to World ...

Buildings Across Time Fifth Edition offers a survey of world architecture both for students taking introductory courses and for the general reader simply interested in buildings. The authors have searched out the stories these buildings tell considered the intentions of the people who built them and examined the lives of those who used them.

Buildings across Time: An Introduction to World ...

Buildings Across Time brilliantly explores the essential attributes of architecture by uniquely combining both a detailed survey of Western architecture, including Pre-Columbian America, and an introduction to architecture from the Middle East, India, Russia, China, and Japan. This latest edition includes over 450 new photos, a new essay on the vision of Pope Pius II, and updates on buildings ...
