Paperback | Barnes & Noble®

In Built to Last, Jim Collins examines a selection of "Visionary Companies". He compares these to other companies and identifies what it takes to run a visionary company. He compares these to other companies and identifies what it takes to run a visionary company.

Grateful Dead - Built To Last

Built to Last is a very well researched and a convincing book that has definitely opened my mind to new ideas and thoughts about companies. Every chapter of the book is important. The authors have evidently shown visionary and comparison companies to show how the same idea may not still work if you don't have certain characteristics.
