Diplomacy: Meaning, Nature, Functions and Role in Crisis ...

Where To Download Business Diplomacy Management A Core Competency For

A core business is the set of functions, processes and capabilities that produce most of the value created by a firm. Ideally, a business will devote most its resources and creative energies on core business. It is common to outsource or minimize anything that is non-core in order to focus on your value as an organization. The following are illustrative examples of a core business.
