the Business and Society  
Debate ...***

***Business exists to serve  
society. Over the past several  
decades, one of the great  
discussions within capitalism  
has centered on defining  
exactly what a business is  
and what its obligations are  
to society at large and to the  
many stakeholders  
participating in business  
systems, including customers,  
shareholders, employees,  
suppliers, and communities,  
to name a few.***

***Relationship between  
Government and Business  
Organizations***

***The dominance model  
represents society as a  
pyramid. Atop it, business  
and government dominate.  
This is the model of business  
critics. It suggests that  
business has too much  
unchecked power. The  
countervailing forces model  
shows flows of power and  
influence among  
environmental factors, the  
public, government, and  
corporations.***

***Business, Government and***

***The media provides important functions for both society and business. For example, it influences the public policy agenda by filtering the various events and interest-group areas of attention and it can serve as a sort of “watchdog” over both business and government exposing any unethical practices.***
