Since it ' s a search engine. browsing for books is almost impossible. The closest thing you can do is use the Authors dropdown in the navigation bar to browse by authors—and even then, you ' ll have to get used to the terrible user interface of the site overall.

Business Planning For Turbulent Times

Bob Johansen, of the Institute for the Future, adapted VUCA for the business world in his 2009 book, *Leaders Make the Future*. He used it to reflect the turbulent and unpredictable forces of change that could affect organizations, and he argued that you need new skills, approaches and behaviors to manage in the face of the four VUCA threats.

Managing in a VUCA World: Thriving in Turbulent Times

We have created a brand new resource, *The Crisis Kit: 5 Tools for Helping Clients Through Turbulent Times*, containing five of the most relevant, science-based tools to help you help others navigate turbulence and uncertainty. ... I am planning to use it with my clients. Reply. Seph Fontane Pennock, BBA on 17 March 2020 at 17:55 .
