It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious.

IKEA to buy back used furniture from customers in UK ...
However good your product or service is, the simple truth is that no-one will buy it if they don't want it or believe they don't need it. And you won't persuade anyone that they want or need to buy what you're offering unless you clearly understand what it is your customers really want. Knowing and understanding customer needs is at the centre of every successful business, whether it sells ...

Customers, however, don't buy in a linear fashion. Rather, they use both digital and in-person channels with near-equal frequency to complete each of the buying jobs more or less simultaneously. As a result, in today's world of B2B buying, there is no handoff from marketing to sales, or digital to in-person.

How to Market at Each Stage of the Buying Decision Process ...
Geoff Tennant, a Six Sigma consultant from the United Kingdom, uses the following analogy to explain the difference: A supermarket's customer is the person buying milk at that supermarket; a not-customer buys milk from a competing supermarket, whereas a non-customer doesn't buy milk from supermarkets at all but rather "has milk delivered to the door in the traditional British way".

Buying Customers - portal-02.theconversionpros.com
The buying decision process is the path that customers take while moving toward doing business with you. It's similar to a purchase funnel in that it is a downward flowing path that starts wide at the top (as prospects become aware of a brand) and ends more narrowly at the bottom (as prospects becoming paying customers).
