Solutions Manual For Digital Communications, 5th Edition ...

While I was loathe to purchase this newest edition of Proakis' book on Digital Communications, owing to older editions floating around my lab, I decided it was worth it to shell out the money for this most recent edition. It is fairly concise, and provides an excellent survey of modern digital communications.

Download Communication Systems Engineering By John G. Proakis, Masoud Salehi - Thorough coverage of basic digital communication system principles ensures that readers are exposed to all basic relevant topics in digital communication system design. The use of CD player and JPEG image coding standard as examples of systems that employ modern communication principles allows readers to relate the theory to practical systems.
