Cambridge Primary Science is a flexible and engaging course written specifically for the Cambridge Primary Science Curriculum Stages 1 to 6. The course uses an enquiry-led approach focussed on making pupils think and work scientifically. The Challenge Activity Books provide extension activities for children who need more challenging activities to stretch their skills beyond the standard for success expected in Primary school.

The Cambridge Primary Curriculum
Framework provides a natural
progression through six stages of
Primary education, from Stage 1 when
children first enter Primary education
(at the approximate age of 5) to Stage
6 when they usually move on to
Secondary education (at about age
11).
