a book review by Robert Schaefer: Capital without Borders ...

With regard to stratification, Capital without Borders argues that wealth managers and their firms don't just make the rich richer: they make the poor poorer. Elites incur real costs when they fail to pay their fair share of taxes, or to pay back their debts to creditors. Those costs fall mainly upon the poor and the middle class.

Book Review: Capital Without Borders: Wealth Managers and ...

Capital without Borders is a book that everyone who cares about fairness, the rule of law, and equal opportunity should read.

Capital Without Borders: Wealth Managers and the One Percent

Capital Without Borders is an ethnographic study—Harrington intentionally chose to not follow the paper trail because she considered documents to be misleading. She defines wealth management as the business of “deploying legal and financial expertise to defend the fortunes of high-net-worth individuals and families.”

Control the Manager - IMF
