### 10 Tips to Prevent Motion Sickness

Continued. Another thing that may help your dog's motion sickness is to lower your car windows a couple of inches while the car is moving. This helps balance the air pressure inside the car with the air pressure outside, which may help reduce your dog's nausea and discomfort.

### Green Books - Car Sick

Motion sickness is the feeling you get when the motion you sense with your inner ear is different from the motion you visualize. It is a common condition that occurs in some people who travel by car, train, airplane, or boat. Many people suffer from this condition if they ride on a roller coaster or other similar amusement park rides.

Car sick : solutions for our car-addicted culture (eBook ...

Lynn Sloman clearly isn't keen either (and manages to live in rural Wales without a car), but she has managed to produce a readable - not ranting - book about how life - for all of us, car-drivers and not - would be so much better if we could only take back control from the car.
