Browse open Healthcare and Medical Jobs. Empathy can be a pretty fuzzy concept. In fact, most people who score high on assessments in the area of empathy often have no idea what they do; they just know that they like people, they enjoy working with and helping people and they value people as individuals.

### Cardiac Catheterization Imaging Pediatrics Geriatrics

Cardiac amyloidosis is a subcategory of amyloidosis where there is depositing of the protein amyloid in the cardiac muscle and surrounding tissues. Amyloid, a misfolded and insoluble protein, can become a deposit in the heart ' s atria, valves, or ventricles. These deposits can cause thickening of different sections of the heart, leading to decreased cardiac function.
