The Quarter-Quarter-Quarter Drawer System - THISisCarpentry

Builders and tradespeople in NSW need to be licensed to do building work where the total cost of labour and materials is more than \$5,000. Individuals may have their contractor licence endorsed with a Q and this indicates that the licence is also equivalent to a Qualified Supervisor Certificate. Certain trades require a specialist contractor licence: air conditioning and refrigeration ...

The joinery book is thorough but not as practical as I was hoping. I would describe it as an encyclopedia for building a Japanese house. For every part of a house, the book prescribes the joint(s) that should be used. Sometimes there are a few to choose from, depending on whether the house warrants a fancy joint or a simpler one.

Mortise and tenon - Wikipedia

Furniture refers to movable objects intended to support various human activities such as seating (e.g., Stools, Chairs, and sofas), eating (), storing items, eating and/or working with an item, and sleeping (e.g., beds and hammocks). Furniture is also used to hold objects at a convenient height for work (as horizontal surfaces above the ground, such as tables and desks), or to store things (e.g ...
