### Naim CD5 XS CD player | Stereophile.com

However, if Naim are going to same way regarding CD players I may end up in the same situation. Options are 1) stick with the Linn and run it into the ground 2) sell the Linn and buy Naim or 3) sell the Linn and buy a reasonably reputable CD player.

### Naim CD5 XS CD Player | Naim Audio CD5 XS

The lack of froufrou in Naim's CD players only strengthens that point of view, and could be improved only if they offered a CD player without a remote control. (A guy can dream, can't he?) The Naim CD5 XS only strengthens that conviction: Its sound quality ranges between good and very good—and musically, it is nothing short of superb.

### CD player through Nova? - Hi-Fi Corner - Naim Audio ...

Like its immediate predecessor, the CD5X is descended from the CD3 (footnote 1), Naim Audio's original entry-level CD player. Introduced in 1995 at a price of \$2000, the CD3 also marked the debut of Naim's ingenious swing-out transport tray, which gave an added measure of mechanical isolation to the drive hub and laser sled—and allowed Naim to dispense with a motorized drawer, on the assumptions that the money is better spent on things that affect music quality, and that most audiophiles ...

CDX CD player Meanwhile, back in the real world, you can still find "moderately priced" assaults on the state of the art of CD playback—like Naim's \$4250 CDX HDCD player. There's no magic or mumbo-jumbo here, just the solid engineering and reliable music-making for which Naim is famous.

### Naim CDX CD player | Stereophile.com

Hi everyone, I'm new to the forum and am after some advice on CD players. I have built up my mainly Naim system over the last 3 years. I started with a CD5si and a matching Nait 5si. I moved on to a CB Nap 250 with Nac82 and 2 olive hicaps. I've since changed to 2 CB Nap135s. The amps have been serviced and upgraded. I'm using Focal Aria 936 speakers. I have a NDSXS fed through a Teddy ...
