*You can search Google Books for any  
book or topic. In this case, let's go with  
"Alice in Wonderland" since it's a well-  
known book, and there's probably a  
free eBook or two for this title. The  
original work is in the public domain,  
so most of the variations are just with  
formatting and the number of  
illustrations included in the work.  
However, you might also run into  
several copies for sale, as reformatting  
the print copy into an eBook still took  
some work. Some of your search  
results may also be related works with  
the same title.*
