Chainmail Rules For Medieval Miniatures

Chainmail: Rules for Medieval Miniatures is a wargame that introduced rules for combat between individual figures, and fantasy elements including spells and monsters. While not a roleplaying game, the original Dungeons & Dragons (D&D) was derived from the ruleset, and the first recognizable roleplaying campaign (Dave Arneson's Blackmoor), was run using a modified version.

Chainmail (game) - Rules and strategy of tabletop games

Chainmail is a medieval miniatures wargame created by Jeff Perren and Gary Gygax. The 1971 edition includes a fantasy supplement and is one of the oldest sets of rules for fantasy miniature wargaming, containing spells and monsters that would reappear in Dungeons and Dragons. The use of 40 mm Elastolin miniatures for medieval wargaming was promoted by Siege of Bodenbug which appeared in ...

Chainmail (game) - Wikipedia

By that time Chainmail had been superseded, the 'boxed set' was available and "Men & Magic", "Monsters and Treasure" and "Underworld and Wilderness" were there to help. Chainmail preceded D&D, described as 'rules for medieval miniatures', but the guts of D&D were ripped from this book and my band of nascent role-players had copies.
