Challenge Machinery Paper Cutter

The Challenge Machinery Company has been an innovator in cutting equipment for almost 150 years. Our achievements include the invention of the original paper cutter in 1887, the first paper drilling machine, the first hydraulic paper cutter, the first programmable paper cutter, and more recently the first fully automated programmable three-knife book trimmer.

Used Paper Cutters for sale. Challenge equipment & more ...

At the end of 2014, Challenge Machinery discontinued selling parts for all of the MPC, MC & MCPB, MPX and the Diamond Series that are still running today. These cutters are termed "out of support", but most of these machines have many more years of life left in them. We are here to help you keep your cutter running safely into the future. And ...
