College Physics Giambattista 4th Edition Solutions
I didn't get a Chegg account until my last year of school, and kind of regret it. The thing I like is that it provides step by step solutions to problems and explains why they're doing it, which you don't usually get with a regular solutions manual. For the amount of time and frustration it saves, I thought \$20 was a fair price.

Among the services that the publicly-traded digital education company offers is Chegg Tutors, which matches students with tutors who help them one-on-one in a variety of subjects, such as physics and French. To get a match, though, a student must send a message describing what they need help with to either an individual tutor, or to a general form.
