Chess At Three - Home | Facebook

Play chess with 3 people at the same time with this three player chess game. Without compromising any of the rules, strategy, or fun of Chess, this variant board has been developed that accommodates three players. The only changes from conventional chess are some protocol issues that must be followed to maintain order where the teams border ...

Chess | Encyclopedia.com

Three player chess combines all of the infinite varieties of a classic game of chess with an addition of complex psychological elements. Alliances are formed and broken if players so wish. A player must be focused not only on attacking and protecting his/her own pieces but also on the protection of the player threatened by the third one.
