Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.

*Chess Endgame Positions and Chess Strategy - 2020 ...*

*Chess Endgame Guide Index, Section 1: Checkmate. Section 1: focuses on Winning games of Chess. Winning games of chess can be forced by Checkmate, or by one player calculating that they've little chance even to secure a draw and so will opt to Resign, thereby graciously handing the win to their opponent.*

*7 Most Important Endgame Principles - Chess World*

*Chess endgames are where games are won. As long as you are playing chess players rated under 2000, tactics might win you games. However, in the higher echelon of chess, endgames are where most games are won. Chess masters do not fall prey to cheap tactics! In fact, they don't fall prey to combinations either most of the time.*

*Chess Endgame Guide*

*The complete guide to chess endgames. This guide will take you from a complete beginner in chess endgames and tell you everything you need to know to get to master level. We will cover ideas such as king pawn principles, how to checkmate with rook and king, a queen vs rook, a rook and knight vs rook.*

### *Online Chess Lessons on Openings, Middlegame & Endgame*

*Dvoretsky's Endgame Manual was published in 2003 by International Chess Master Mark Dvoretsky. It impressed beginners and masters, alike, with its brilliance. To get straight to the point, Dvoretsky's book is the number one book you can take up so as to learn principles that will exponentially help your endgame skills and it will amend any flaws you might have with your chess calculations.*

### *Everything You Need to Know About Chess: The Endgame ...*

*Basic Checkmates: Checkmate in the endgame In the later stages of the game when there are fewer pieces left on the board, checkmate can become harder to achieve because of a lack of firepower. When you only have one or two pieces left, it can be difficult to round up the enemy king and stop him escaping.*

### *Checkmate in the endgame - Chess Strategy Online*

*Many chess players focus their attention primarily on the opening and the middlegame. Little do they know, that endgame is something that can bring their chess to the next level. Because endgame involves far less pieces than opening or middlegame, it is a phase of the game that can be mastered by a player of pretty much any skill level.*

### *Chess Endgame Guide - time.simplify.com.my*

*Basic endgame strategy Although there are fewer pieces on the board, endgame positions can be just as difficult as any other position in chess. Many of the same strategical themes from the middlegame apply in the endgame - isolated and backwards pawns are still weak, bad bishops are very much a liability, and a knight in the centre is usually better than a knight on the rim.*

### *Mastering basic rook endgames - Elite Chess Training*

*Chess endgames are where games are won. As long as you are playing chess players rated under 2000, tactics might win you games. However, in the higher echelon of chess, endgames are where most games are won. Chess masters do not fall prey to cheap tactics! In fact, they don't fall prey to combinations either most of the time.*

Winning games of chess can be forced by Checkmate, or by one player calculating that they've little chance even to secure a draw and so will opt to Resign, thereby graciously handing the win to their opponent.*

### *Chess Endgame Mastery | Complete Free Course - BoldChess*

*In a chess game, there are many types of endgames, and the right strategy depends heavily on what pieces remain on the board for each side. It may seem counterintuitive at first, but many teachers, including grandmaster Garry Kasparov, recommend that new players start by studying endgame positions rather than memorizing books of openings or finessing middlegame.*

### *3 Best Chess Endgame Books (2020) - Which Are a Must-Read?*

*ference between right and wrong decisions. In endgames we usually have two ways - correct and incorrect, and this is the main difference between the endgame and the middlegame. The main idea of our book was to produce some sort of practical guide to rook endings, including some necessary basic knowledge. We want to stress that*
