TIR: Traumatic Incident Reduction
In 1989, David eventually recovered from combat PTSD through a simple but powerful technique known as Traumatic Incident Reduction (TIR) and is now symptom-free. Not just for veterans, TIR has since been successfully applied to crime and motor vehicle accident victims, domestic violence survivors, and even children.

Traumatic Incident Reduction provides a safe space and the means to fully examine that which had been blocked. A past incident loses its ability to hurt us at the point where we have looked it through and through. In the process, we release our resistance as well as the painful emotion and negative thought patterns contained in that past trauma.
