Children Of The Matrix David  
"Children of the Matrix" follows these same themes, but is a quantum leap in the level and amount of material Icke presents the reader. One of the many themes in this book, really the starting point, is the author's view that, just as the movie "The Matrix" depicts, we live in a world which is a self-created illusion where we limit our

With "Children of the Matrix" (I'm 80% of the way through), David Icke adds another tomeful of amazing research to bolster what is surely the conspiriologist's equivalent of the physicist's unified field theory. No-one pulls it together like Icke with his irreverent Brit wit and cut-the-crap insight.
