My Review of "Chineasy: The New Way to Read Chinese ...

Chineasy Methodology. The child then starts grouping elements and soon he/she realizes that no matter how fancy and complicated the models are, they are all built out of the same set of building blocks. Most Chinese characters are built out of roughly 100 building blocks. ShaoLan, Creator of Chineasy, designed a program that correlated each character...

Chineasy: The New Way to Read Chinese by Shaolan Hsueh My rating: 4 of 5 stars. There are few beautiful language learning tools out there. This is one of them. The myth of Chinese language is nearly always the same: the learning process is arduous, the speech itself - shrouded in mystery - unforgiving for beginners.

Chineasy The New Way To

In Chineasy, she teaches the key characters, called radicals, that are the language's foundation. She then shows how they can be combined to form new words and even phrases. Once you've mastered these key characters, you can practice your skills with three stories—a fairy tale, an Asian legend, and a contemporary fable—told using the radicals.
