LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier ' s Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

The Chronicles of Narnia (Series) Study Guide | Course Hero

The Chronicles of Narnia is a series of books that C.S. Lewis wrote as a " fairy-tale for children " because he felt that the children ' s tale genre suited the story he wanted to tell. Though the stories are often referred to as allegories (stories in which persons or objects represent other things beyond the surface meaning of the story), they are not complete allegories in the true sense of the word (though some allegorical elements certainly exist within them).
