CCNA in 60 Days - Day 1

I wasn't really sure to buy this book, but I decided to do it because of the reviews. I have several books, including the Pearson (Cisco official) one, but Cisco CCNA in 60 Days has been so easy to follow with lots of really relevant information and labs, that I didn't pay attention to the others anymore.

Cisco CCNA in 60 Days by Paul W. Browning

Welcome to Cisco CCNA in 60 Days. My name is Paul Browning and I came up with the 60 days study system after teaching Cisco courses for several years in the UK. I've trained thousands of students in my classroom and online courses and it finally dawned on me that pretty much every student had a study guide and access to Cisco equipment or Packet Tracer but most quit before even taking the exam.
