Citizenship in Diverse Societies - Hardcover - Will ...

The question of the state's role in the control of sponsorship of education is addressed in the light of liberal political principles designed to keep peace and enforce toleration in culturally diverse societies. Some contemporary, self-described liberal philosophers argue for a much more substantial educational role for the state than liberal principles will really allow.

## Online Library Citizenship In Diverse Societies

In Europe's culturally and religiously diverse societies, citizens have different frameworks for how they act and interact with their close and distant surroundings. We argue that this increasing diversity leads to diversified citizen participation that must be studied if the current participation agenda is to remain relevant.
