Back to Civilization VI Modding, short for modifying, means taking a game and modifying it. These modifications are called mods for short. Civilization VI has very extensive modding capabilities, allowing users to add, change, or remove a large amount of content. Mods are a file, or collection...

[The best Civilization V mods | PC Gamer](#)

In general, the Civ V Steam Workshop is notoriously bad when it comes to installing mods reliably. Deleting your cache folder in My Games\Sid Meier's Civilization 5 usually does the trick, as this will force the game to redownload all your currently subscribed mods (this does not affect your saves). If that fails (or redownloading ALL your mods doesn't appeal to you), manual installation is ...
