LEG Tunnel Works Clause - I mia
Underwriting clauses may merely provide guidance and aspirational suggestions or may be drafted as a strict warranty of behavior. Clarity on this point is pretty important to both parties to avoid disputes over whether the ceding insurer followed the underwriting clause in the reinsurance agreement.

Knowledge Base
The clause is structured into three distinct sections: Exclusions Limits Definitions It is intended that the clause be inserted as an Exclusion to the Section of the CAR policy covering damage to the works. 1. Exclusions. The Exclusion section is based on Munich Re Endorsement 101 with amendments to reduce ambiguity. Some elements of
