The 20 Most Terrifying Stories on the Internet

The court's conservative majority has been aggressive in discerning such discrimination whenever a law has any nonreligious exemptions. There are good public health reasons for Maine's policy, to which Gorsuch seemed oblivious. But if his reading of the Free Exercise Clause prevails, it won't matter whether anyone else is excused.

If he finds another life—another hunter, angel, or a demon, a delicate infant to tottering old man, a fairy or demigod—there's only one thing he can do: open fire and eliminate them. While this makes sense to us, what scares me the most about the dark forest theory is that everyone has to treat each other as an enemy.
