We monitor the fire hose of online comic book sales across various marketplaces and report on sales of CGC and CBCS graded books in our comics price guide. We only monitor actual sales; not just sale listings. For each sale discovered, we match it to the specific comic in our massive database (which also includes variant covers and printings).

Collectible Comics for sale | eBay

It's important to emphasize this, because too many collectors (especially when it's time to sell comic books) quote the "value" of the books in their collection.. They simply look up all the prices in the guide, usually blanket-grading their books as near mint minus (9.2), and multiply the number of comics by the 9.2 price.
