This course continues topics from MATH 010 and includes statistics, probability, geometry, measurement, transformations, congruence, and coordinate geometry. The emphasis of this course is in mathematical topics relevant to future elementary school teachers. This course is intended for liberal studies students, though it can be used to meet general education requirements.

College of the Sequoias Softball - Home | Facebook

History. College of the Sequoias was originally established in 1926 as Visalia Junior College as a department in the city high school. Its mission at that time was to provide inexpensive, lower-division college education to local high school graduates who intended to transfer to a traditional four-year college. Visalia Junior College was later expanded and a campus was built in 1938.
