Comment: Sliding door track popped out of place and door was stuck. Called a handyman to help and he pulled out the track but was unable to remove the sliding door to fix the issue. Need a door repair expert who might be able to figure out how to get the door out. Otherwise will likely need to replace the whole thing.

Commercial Door Hardware | DH Pace Colorado  
I purchased this pocket hardware to replace the hardware on my current sliding pocket door on my rv. My current hardware was cheap and did not slide well. This hardware was fantastic. It is a very heavy duty track (won;t bend as it bounces down the road) and the rollers work wonderful.
