Owning Memory by Jeannette Allis Bastian - ABC-CLIO

Analyzes attitudes and use of archives by post-colonial scholars who find that colonial records offer the voices of the master narrative but do not reflect the voices of the oppressed and voiceless. Argues that framing records within social provenance and a ' community of records ' offers archival solutions to the dilemmas of locating all voices within the spaces of records.

Online Library Community Archives By Jeannette Allis Bastian

This book examines the relationships between archives, communities and collective memory through both the lens of a postcolonial society, the United States Virgin Islands, a former colony of Denmark, now a United States territory, and through an archival perspective on the relationship between communities and the creation of records. Because the historical records of the Virgin Islands reside ...
