COMPARATIVE POLITICAL SYSTEMS

Through observation and comparison, one can hopefully learn enough about politics to make reliable predictions. That is the goal of comparative politics: observe two or more political situations, analyse their similarities and differences, and try to isolate causes and effects in order to make reliable predictions.

The Journal of Comparative Politics

A comparative politics approach is well suited for addressing all these questions and many others. At this point, of course, the reasons may not be clear, but they will become much clearer as we proceed. It is also important to say, at this early juncture, that comparative politics is not the only, nor is it always the best, approach one can use.
