on their gut instinct, which they often later regret.

Making Employee Recruitment and Selection Competency Based ...

You'll often come across competency-based selection methods in the recruitment process. These operate on the premise that past behaviour is a good basis for predicting future behaviour, and take the form of competency-based questions that are asked verbally during the interview, or during a written competency-based selection test.

specified position requires.

Competency-based Recruitment and Selection Training

Competency-based selection (also known as behavioral selection) is a well-known selection method about which many books have been written, and many training courses delivered. Despite this, in my conversations with other in-house recruitment teams, it has surprised me how few companies apply the technique as part of their recruitment methodology.
