Confessions of a Call Centre Scammer.

As a call centre employee, I thoroughly enjoyed reading this book. It was engaging, funny and sad with just the right balance, wonderfully well written and remarkably relatable. The book talks about the types of jobs the author has held, but it's littered with brilliant anecdotes and customer conversations, some of which make you truly question the intelligence of the average human being.

Confessions of a call-centre scammer - BBC News

A great laugh along book Thankfully I have never worked in a call centre, and this is a great incentive for people never to do so, I even feel guilty now for times I have swore at the on hold music, never to the worker's there, I hasten to add. These people deserve a medal, and Izzy shows us this along with the stupidity of humankind, which makes us wonder how we are still in existence.

Confessions of a call-centre drone - Independent.ie

During the Call & Contact Centre Expo in London we invited visitors to confess their calls in our Natterbox. This could be as a call centre agent or on the receiving end of a call. Very interesting viewing, providing us with a clear insight into how customers feel about their suppliers and how agents feel about the lack of technology to support them in their roles.
