### Sattvic diet - Wikipedia

The depth of wisdom that has and still exists within the Native American culture today is astounding. There was no known system of writing within any of the ancient Native American cultures (not until 1821), so the wisdom of these beautiful people continued for hundreds of years (if not longer) by word of mouth.

### Comix Mt-7100 User Manual - deluxegoodtext

Sattvic diet is a diet based on foods in ayurvedic and yogic literature that contain the quality sattva. In this system of dietary classification, foods that decrease the energy of the body are considered tamasic, while those that increase the energy of the body are considered rajasic.. A sattvic diet is meant to include foods and eating habits that are "pure, essential, natural, vital, energy ...
