Conquering The Impossible My 12000

Conquering the Impossible is the gripping account of Horn's grueling 27-month expedition by sail and foot through extreme Arctic conditions that nearly cost him his life. Enduring temperatures as low as -95 degrees Fahrenheit, Horn battled hazards including trekking on unstable ice that plunged him into frigid waters, encounters with polar bears so close that he felt their breath on his face, and a fire that destroyed all of his equipment and nearly burned him alive.
