Last summer, Alice Embree published her highly insightful, significant memoir, *Voice Lessons* (Briscoe Center for American History, 2021), offering a much-needed woman's perspective of the decidedly left-of-center people's campaigns of the past sixty years. Pogue will soon release his exploration, through photographic images, of how people created their own alternative institutions ...

botanical artists and illustrators UK

Botanical illustration is the art of depicting the form, color, and details of plant species, frequently in watercolor paintings. They must be scientifically accurate but often also have an artistic component and may be printed with a botanical description in books, magazines, and other media or sold as a work of art. Often composed by a botanical illustrator in consultation with a scientific ...
