Socialism - Wikipedia
Profoundly curious about America, Wang took full advantage, wandering about the country like a sort of latter-day Chinese Alexis de Tocqueville, visiting more than 30 cities and nearly 20 universities. What he found deeply disturbed him, permanently shifting his view of the West and the consequences of its ideas.

The three-pillar conception of (social, economic and environmental) sustainability, commonly represented by three intersecting circles with overall sustainability at the centre, has become ubiquitous. With a view of identifying the genesis and theoretical foundations of this conception, this paper reviews and discusses relevant historical sustainability literature. From this we find that there ...

Socialism (Stanford Encyclopedia of Philosophy)
BCS 317 - Enterprise Resource Planning Enterprise Resource Planning (ERP) is an organizational and information systems approach that integrates planning, customer relationship management, decision making, master scheduling, material requirements planning, marketing, forecasting, sales, finance, electronic commerce, and human resources.

Responding to such widespread disempowerment, a second model for socialist planning has recommended that planning be done in a different, more democratic way. Thus, the participatory planning (or participatory economy, "Parecon") model proposes the following institutional features (Albert 2003, 2016). First, the means of production would ...

The Triumph and Terror of Wang Huning – Palladium
Farming cooperatives are organisations fundamentally based on social capital. However, the neoliberal and globalisation turn in the food system have led to the economisation of agricultural cooperatives as their main objective and criteria for evaluating their performance, and to a retreat from their participation in the wider cooperative movement. Nevertheless, new models of cooperation may ...

Multiculturalism - Wikipedia
Japan's new tourism minister said Tuesday he will consider when to resume the government's Go To Travel subsidy program for the promotion of domestic tourism that has been hit by the coronavirus pandemic, following the full lifting of the COVID-19 state of emergency last week. "We will consider the situation..."
