At the end of July, I and Mikhail had a long conversation. We talked about the relationships between Children of Unquiet and his previous projects, the sound and image nexus in his films, the ontology of the voice and the different ways in which he explores it in his work, as well as his positioning as an artist. What follows is a transcript of the recording of our dialogue.

B Same Mucho Come Crescere I Vostri Figli Con Amore  
Conversation-concerts are musical encounters in schools, universities and more, that allow for a dialogue with young people and adults without the barriers that often arise in concert halls. Through the organisation of workshops , we give the public the possibility to work in a team like a string quartet.

A prince » 26 Nov 1988 » The Spectator Archive  
Sonny Rollins is an extremely soft-spoken gentleman whose career in the jazz world has covered a tremendous amount of history. Because he is tall with a dramatic look, and because his contributions to the music loom so large in the historiography, he is often approached as a "giant" both by his fans and critics.
