a much larger, open-ended, topic-based resource vocabulary providing an enormous bank of further signs and symbols covering broader life experiences and used in association with the Core Vocabulary as required; Makaton symbols and signs are matched to all the concepts in the two vocabularies to be used with speech, the written word or on their own.

### **Level 1 - Learn Makaton**

The sign vocabulary is taken from the local Deaf sign language (with some additional 'natural gestures'), beginning with a 'core' list of important words. However, the grammar generally follows the spoken language rather than the sign language. For more, head over to Makaton.org. This dedicated charity has a wealth of information and ...

### **InPrint 3 | Design Symbol Materials to Print | Widgit**

Key word signing uses a core vocabulary of words to communicate concepts and ideas. Each word (concept) is matched to an Auslan hand sign. Auslan is the native language of the Australian Deaf community ( Australian Sign Language), and we gratefully acknowledge the Deaf community for the use of Auslan signs.
