It is designed to counter efforts by violent extremists and to help reduce the flow of foreign terrorist fighters.

Countering Violent Extremism and Humanitarian Action  
Extremism is no crime. But there is a tendency to equate protest, rebellion, and radicalism as somehow related to the problem of "violent extremism". Yet even the most hardline groups have many in their ranks who have joined for a range of non-ideological reasons, and so much is still unknown about how and why people become radicalised.
