Representing both celebs and pseudo-celebs makes for crazy days and nights..arrests, divorces, breakups and hookups, new deals and cancellations, A-D listers and everything in between..These are my stories..

Crazy Days and Nights  
Childbearing and menstruation: Women who have never given birth have a higher risk of developing ovarian cancer, and so do women who started menstruating early (before they were 12 years old), and/or reached menopause late (after 50).The number of periods you go through seems to be linked with your chances of getting ovarian cancer. For example, women who have more kids have a smaller risk of ...
