Credit Scorecards : Introduction - YOU CANalytics

"Classic" Credit Scoring, Credit Score Cards. The classic and still widely used (and useful) approach for evaluating credit worthiness and risk is based on the building of "scorecards"; a typical scorecard may look like this: Note that this is an actual screenshot taken from STATISTICA Scorecard.

Credit Risk Scorecards: Developing and Implementing ...

The credit score is a numeric expression measuring people's creditworthiness. ... I highly recommend you to read Credit Risk Scorecards — Developing and Implementing Intelligent Credit Scoring ...

**Credit Risk Scorecards: Developing
and Implementing ...**

Behavioral scorecards deal more with predicting or scoring current customers and their likelihood to default. Application scorecards are used when new customers apply for loans to predict their likelihood to be profitable customers, and to associate a score to them. For banks, credit scoring helps manage risk.
