Men-an-Tol, England. - Ancient-Wisdom

The Crick-Stone, or Men-an-tol. IN a croft belonging to Lanyon farm, and about half a mile north of the town-place, there is a remarkable group of three stones, the centre one of which is called by antiquaries the Men-an-tol (holed stone), and by country folk the Crick-stone, from an old custom—not yet extinct—of "crameing" (crawling on all fours) ...
