Crime and Punishment - Wikipedia
Crime and Punishment, novel by Russian writer Fyodor Dostoyevsky, first published in 1866. Centering on the poor former student Raskolnikov, whose theory that humanitarian ends justify evil means leads him to murder, the story is one of the finest studies of the psychopathology of guilt written in any language.

Crime and Punishment | Plot, Assessment, & Facts | Britannica
One way of controlling and reducing crime is to punish offenders. Given that punishment typically involves restricting people's freedom and sometimes inflicting harm on people, it requires some justification as a strategy for crime control. Two main justifications exist for punishment: Crime reduction and retribution. These methods link to different penal policies.
