Musical Crossroads: African American ... - Smithsonian Music

Crossroads were also commonly used as a place of criminal punishment and execution (e.g. by gibbet or dule tree), which may have also been a reason for it being a site of suicidal burial as suicide was considered a crime. This ritual of crossroads burial dates back to Anglo-Saxon times and continued until being abolished in 1823.

The Materials and Tests Division (MTD) provides service and expertise in materials quality and technology for the Texas transportation system.

Materials and Tests - Texas Department of Transportation

The use of music at sporting events is a practice that is thousands of years old [citation needed], but has recently had a resurgence as a noted phenomenon. Some sports have specific traditions with respect to pieces of music played at particular intervals. Others have made the presentation of music very specific to the team—even to particular players.

Crossroads In Music Traditions And

Agency and Identity Musical Crossroads uses objects to explore the ways in which African American musicians and music lovers exercised personal agency and asserted their identities even in the face of daily humiliation and oppression by the American mainstream. Music played a central role in the African American civil rights struggles of the 20th century, and objects linked directly to ...
