Here is an updated version of the Sdomain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Crystallizing Public Opinion - Wikipedia  
A seminal work on how public opinion is created and shaped, Edward Bernays's classic Crystallizing Public Opinion set down the principles that corporations and government have used to influence public attitudes over the past century.

Crystallizing Public Opinion (Audiobook) by Edward Bernays ...  
Public opinion consists of the desires, wants and thinking of the majority of the people. It is the collective opinion of the people of a society or state on an issue or problem. This concept came about through the process of urbanization and other political and social forces. For the first time, it became important what people thought as forms of political contention changed.

Amazon.com: Crystallizing Public Opinion eBook: Edward L. ...  
Crystallizing Public Opinion His primary function now is not to bring his clients by chance to the public's attention, nor to extricate them from difficulties into which they have already drifted, but to advise his clients how positive results can be accomplished in the field of public relations and to keep them from drifting inadvertently into unfortunate or harmful situations.

Crystallizing Public Opinion: Edward Bernays, Stuart Ewen ...  
Crystallizing Public Opinion is a book written by Edward Bernays and published in 1923. It is perhaps the first book to define and explain the field of public relations. Bernays defines the counsel on public relations, as, more than a press agent, someone who can create a useful symbolic linkage among the masses.

Public opinion - Wikipedia  
The public relations counsel, on the other hand, he saw as an Emersonian-like creator of events that dramatized new concepts and perceptions, and even influenced the actions of leaders and groups in society. Bernays' magisterial, philosophical touch is evident in Crystallizing Public Opinion where he wrote: This is an age of mass production.
